AZ CORP COMMISSION
DOCUMENT CONTROL

Its amazing to me how
the costumer people as a whole have
to pay for a businesses past
mistakes. Why should we, I am
a business owner and the only 1
that pays for it is me !!!

I still just recently
sprawled the stretch out there as little
as 2 weeks ago. I am opposed
to the rate hikes as I am sure
many other residents are.

I dont mind paying
for good service but why should
I pay for somebody else's mistakes

And the usual answer for the crap
and corruptions that the people have
to put up with is a price increase.
Doesnt that always seem to be the answer

NO !!

There are other ways to fixed
the problems

Upon the further rate increase and any other
stretch or bad service I will rally the

20-17-01
residents of this area with
HOA and people and file
suit against your company.

(for) If this hasnt happened already
Fix it dont charge to the residents

Thankyou concerned
Cambria resident!!
